THE FRANCIS OUIMET SOCIETY HISTORY AND PURPOSE

The Francis Ouimet Society was founded as the Par Club in 1969 as an associate organization of the Francis Ouimet Caddie Scholarship Fund. Its membership offers wonderful opportunities to meet new people, establish business contacts, play golf at outstanding golf clubs throughout Massachusetts, and most importantly, support the Ouimet Fund. The Ouimet Society is a fundraising enterprise of the Francis Ouimet Scholarship Fund, a 501(c) (3) organization.

In 1992, the organization changed its name to draw a close association to the scholarship fund it benefits. The new name also honors the man who inspired The Society with his famed love of golf, sportsmanship, and warm camaraderie.

The Ouimet Society was one of the first organizations in Massachusetts to offer charitable outings at outstanding courses, and now, 42 years later, many people still consider our outings one of the best days of any golfing calendar. Ouimet Society outings include luncheon, golf, carts, and a reception/prize ceremony.

ABOUT THE OUIMET FUND

The Francis Ouimet Caddie Scholarship Fund was founded in 1949 as a charitable and service organization to provide need based undergraduate college scholarship aid to young people who have performed a minimum of two years of service to golf in Massachusetts. Students who have worked as caddies, in the pro shop, or course superintendents operations are eligible. This year the Ouimet Fund awarded \$1.46 million to 347 students from 134 different clubs. The Fund is dedicated to providing the golfing community with an opportunity to "give back to golf" and society by assisting youth in furthering their education. The Fund also seeks to preserve the history of Francis Ouimet's contributions to American golf.

SPECIAL TAX INFORMATION

Federal tax regulations state that the portion of a contribution, which is tax deductible, is limited to the amount that is in excess of the value received. The entire amount of the membership donation for all categories are 100% tax deductible. An outing fee covers the cost of the outing as an entry fee and is not tax deductible.
